Encompass Financial Services, Inc., an Oklahoma based Real Estate, Appraisal and Risk Management Company, is proud to introduce a new member to its corporate family. Josh Bellamy is a Multi Peril/Crop Hail Agent, a Personal Property Appraiser and an Auctioneer. Bellamy is a dynamic professional who will help aid in the company's continued growth.

"Josh Bellamy is an enormous asset to the Encompass team," said founder and President, Tom Evans. "His energy and go get 'em attitude compliment his passion for excellence and superior customer service. We are very excited to have him with us, and are continually impressed by his contributions."

As a Multi Peril/Crop Hail Agent, Bellamy is charged with all facets of client development, including responsibility for overall client satisfaction, customer retention and new customer referrals. He will also provide farm mapping services and manage marketing activities such as grower meetings, producer education events, trade shows and various other local events. Encompass Auction will largely be managed by Bellamy who will serve as auctioneer and auction services coordinator. As a certified personal property appraiser, Bellamy can provide a value report on personal property and equipment to be used for situations such as IRS requirements, estate planning, charitable donation, bankruptcy, risk management and divorce.

Originally from Freeport, Kansas, Bellamy is a graduate of Wakita High School and received his Bachelor of Science degree from Northwestern Oklahoma State University. Bellamy brings more than 5 years of communication experience, multiple certifications and nearly a decade of agricultural experience to the company. Additionally, Bellamy is working to complete a graduate degree at Northwestern Oklahoma State University and is pursuing his real estate license.
